POSITION:	Level 2 AD Operator
REPORTING TO:	Site Manager
RESPONSIBLE FOR:	No line management responsibilities
LOCATION:	Cassington AD Site
HOURS:	Full time; 50 hours per week, Monday – Friday 07.00 – 17.00

WHO ARE SEVERN TRENT GREEN POWER?

Severn Trent Green Power, part of the Severn Trent plc group of companies is a successful, national, waste company with an excellent reputation in the organic waste and renewable energy sector. We operate 8 anaerobic digestion facilities, 2 in-vessel compost sites, and 3 open windrow compost sites.

The company's strategy is to continue to develop as a market leader in the recycling and processing of organic wastes and generating enough renewable energy throughout the business to meet our triple carbon pledge to be carbon neutral by 2030. We are the largest producer of renewable energy from food waste in the UK. We care deeply about making a positive impact on our environment and strive to support our customers to achieve the same. We have some really big commitments to our customers, our environment, our society and our colleagues that we know, can only be achieved through our inclusive and energetic culture

WHAT IS THE FUNCTION OF

THIS ROLE? ROLE SUMMARY:

Reporting to the site Manager this mobile hands-on role requires the daily operation and maintenance of plant and machinery. Working within the reception building or outside moving the product through its various stages, which will require you to use plant machinery including telehandler, loading shovel, shredder and screener.

This is a full-time role with core hours of 07.00 – 17.00 Monday – Friday. You will also be part of a rolling standby night rota covering 1 week in 3 or 4

A safe working environment is the very least that every employee deserves. A clear focus on site and personal safety and is critical.

HOW YOUR SUCCESS ADDS VALUE TO OUR BUSINESS:

All sites will be visited by many potential customers and creating a good impression of the site and its processes promotes a positive advert for Severn Trent Green Power and the wider Severn Trent PLC business.

Green Power
